

LETTER TO THE FAMILY

Dear Parent/Guardian,

I'm excited to tell you about an exciting program our athletic department is implementing. As you know, we work hard to do more than coach athletes to win games - we want to coach your children to win in the game of life.

To that end, we have partnered with 2Words Character Development (<http://2words.tv>), to implement a comprehensive character development curriculum across our athletic department. The program is a weekly comprehensive program that includes:

- A weekly video lesson from Character Development Coach Stephen Mackey (@MackeySpeaks)
- A corresponding lesson for coaches, captains, athletes, and parents
- New lessons every year

The program is gender and sport neutral, and will focus on helping our athletes connect the dots between sports and life, by looking at topics like:

- Goals
- Work Ethic
- Servant Leadership
- Personal Code
- Growth Mindset
- Grit

As a part of this game plan, you have access to watch the weekly video and a worksheet which includes:

- A summary of that week's lesson
- "The Best 5": 5 Questions that you can discuss at home, or in the car, with your child that will spark conversation around that week's character trait
- A link to watch the lesson of the week

REGISTRATION INSTRUCTION

Visit the link: <https://2words.tv/parent-registration/>

Fill out all required steps

Select the appropriate District and School

Enter in Access Code: 2wordsparents

Thank you for allowing us to coach your children. It is our great privilege!
